In re Application of :  
Axel Ullrich, et al :  
Serial No. 07/975,750 : DECISION ON PETITION UNDER  
Filed: November 13, 1992 : 37 CFR 1.48(a)  
Attorney Docket No. 7683-009 :  
:

This is a decision on a May 27, 1993 petition under 37 CFR 1.48(a), requesting correction of the inventorship and on the paper of February 24, 1994 filed in support thereof, which timely responds (with a petition and fee for a three month extension of time under 37 CFR 1.136(a)) to an October 5, 1993 Requirement for Information.

The Requirement for Information required proof of the authority of a party executing a written consent of assignee to do so and a § 3.73(b) certification in support thereof, which were submitted on February 24, 1994.

Based on the file record as a whole and the facts as set forth in the Requirement for Information and in the statements now of record, the error in inventorship occurred without deceptive intent and was diligently corrected.

The §1.48(a) petition to correct inventorship is Granted.

The application is being returned to the Special Processing and Correspondence Branch of Application Processing Division for further processing, including issuance of a filing receipt, with the names of the inventors as shown on the executed declaration under 37 CFR 1.63 filed on May 27, 1993.
